

AITP BALTIMORE CHAPTER SCHOLARSHIP APPLICATION REVIEW RULES

The AITP Scholarship Screening Committee (SSC) will consist of the Chapter President, VP of Scholarship, and VP of Student Affairs (as available, or one other designated board member) who will try with their best effort to financially support, and/or participate in scholarship fund raising events over the previous year. Those committee members who do not feel they warrant participation may exclude themselves by letting the VP of Scholarship know 30 days in advance of the deadline.

The VP of Scholarship is the point of contact for collecting the following from each applicant: scholarship application, application letter, previous year's transcripts, and sponsorship letter. Except for notifying an individual about the Baltimore AITP scholarships, all communications and questions regarding scholarships must be facilitated through the VP of Scholarship.

Materials date-stamped after April 1st are ineligible for consideration.

The VP of Scholarship will produce copies of these materials submitted by the applicants and distribute them to each member of the SSC by April 15th.

SSC is responsible for reviewing the material in accordance with the evaluation criteria and submitting their findings to the VP of Scholarship. The VP of Scholarship totals the results for each applicant and takes an average. This average will be the applicant's ranking. In the event of a tie, the SSC is allowed to make a subjective determination based on need.

Other members of the SSC are prohibited from discussing selection criteria, selection status, award decisions, award amounts, or any other scholarship information outside of the SSC. If an applicant receives this information from a SSC member, or has knowledge about the scholarship process outside the scholarship process posted on the chapter website, they can be disqualified from consideration, during this two (2) week process.

The SSC evaluates all responses and chooses the winning recipients by April 19th.

The selections of the SSC are final.

The VP of Scholarship notifies the winners and their award amount by April 20th and submits to the VP of Operations a list of winners and guests attending the May Meeting.

Any student who is announced as a winner, must be able to demonstrate (to the SSC) via their class schedule, their intent to pursue an IT career. This will be reviewed by the AITP VP Scholarship to ensure the student is indeed an IT major.

SCHOLARSHIP EVALUATION CRITERIA

Criteria	Value
Paper Submitted by Deadline Application Previous Year's Transcripts Recommendation Letter Essay Letter	Y
IT Degree Pursued (Proof needed)	Y/N
College schedule of classes (for those attending current term)	Y/N

Attended at least one AITP Baltimore sponsored event excluding a scholarship banquet	1 to 2
City where student went to High School	
College schedule of classes (only for juniors and seniors)	Y/N

SCHOLARSHIP APPLICATION RULES

1. Student must complete and submit the attached application with a letter and transcripts from the current year to the VP of Scholarship at the Baltimore Chapter of AITP to be considered for a scholarship.
2. Applicants must have a minimum grade point average of 2.0, or equivalent, out of a possible 4.0, on the last full academic year. Applicants must be enrolled as a full time college student (minimum 12 credits) at an accredited college, university, or technical school, and pursuing a degree in Computer Science, Management Information Systems, or a similar degree program. Applicants that are AITP members or hold an AITP office, and/or enrolled in a Maryland institution of higher learning receive additional consideration. A current Maryland residence is a must.
3. A typed letter between two and five pages from the applicant must accompany their application. The letters illustrating the applicant's efforts in the areas of promoting, implementing, and instructing Information Technology, as well as clearly communicating why they should receive a scholarship are preferred.
4. A paper copy of the applicant's academic transcripts, from the previous academic year, must accompany the application.
5. A paper copy of the student's schedule of classes, for the current or next academic period must be furnished prior to distribution of scholarship monies.
6. An active member of the Baltimore Chapter of AITP must sponsor each applicant. Each sponsor must submit a typed letter to the VP of Scholarship concerning the applicant by April 1st. Each sponsor may submit only one applicant per year. No applicant may have more than one sponsor. Sponsorship letters illustrating the applicant's efforts as stated in paragraph 3 will receive priority consideration.
7. The VP of Scholarship will notify each applicant as their application and supporting documents are received.
8. Applications are evaluated in April and the VP of Scholarship notifies the winners in late April.
9. Each scholarship winner and one guest will be invited to attend the May meeting as guests of the Baltimore AITP chapter.
10. Members of the Baltimore AITP chapter cannot sponsor themselves.
11. No scholarship will be awarded for programs or instruction already completed.
12. The scholarship award is intended for college-associated expenses. By accepting the scholarship, the student agrees to provide receipts, including paid in full tuition receipt, for the entire amount awarded.
13. Payment will be made to student recipients in equal payments at the beginning of each term in the academic year.
14. If there is evidence of tampering or an attempt is made to influence the scholarship committee, the student's application will be withdrawn without notice.
15. Only scholarship winners will be notified.

Scholarship FAQ's

1. What types of degrees qualify for the scholarship program?

Any recognized IT degree such as Computer Science, Computer Studies, Cybersecurity, Information Assurance, and Information Systems Management.

2. Does it matter what school I go to?

Any full-time student attending an accredited two-year, four-year or technical institute qualifies for our program.

3. Why do I need a sponsor?

A sponsor is needed to help us determine the eligibility status of the candidate and get to know you better. It makes it easier for us to pick the best qualified candidate for the scholarship. It also lets you get to know us better.

4. How do I obtain sponsorship for the scholarship program?

Obtaining sponsorship is easy and can be done in one of two ways. The first is to attend a meeting and ask any current member. The second way is to request a sponsor at: aitpboard@baltimoreaitp.org

5. Why is it necessary to attend a meeting?

We require our potential candidates to come to at least one meeting. This gives us a way to get to know you better and get input from our younger up-and-coming professionals. As a result, we hold two student-g geared meetings per year and charge a special student price at our regular meetings to make it easier to attend. The meetings are also held at varying times throughout the year to accommodate different schedules.

6. Who do I contact if I am unsure of anything or have further questions?

You may direct all scholarship inquiries to ingrid@baltimoreaitp.org. Please list "scholarship question" in the subject line, in order to receive a faster response. If you are submitting material for your application, please put "scholarship material" in the subject line.
